

## Community High School Parental Permission for Local Excursions

Community High School offers an alternative program to its students. Part of our mission is to use the Ann Arbor community as a classroom. Opportunities to visit exhibits, offices, field days, see movies, or hear speakers often arise on short notice. Students are responsible for their own transportation for many trips, (bus, private vehicle, walking). Parents are always notified of trips which go out of the Ann Arbor area or overnight. This permission slip will allow your son or daughter to attend these “close to home” events as they come up, as well as our spring field day at Delhi Park.

### **Hand in Permission Slip at Registration**

#### PERMISSION SLIP

I hereby give my son/daughter permission to participate in local field trips during the 2011-2012 school year. I understand students are responsible for their own transportation for many trips, (bus, private vehicle, walking), and I release and hold harmless Community High School and the Ann Arbor Public Schools and its employees from any and all liability in connection with their transportation and attendance at any of the local excursions.

In granting this permission, I assume full responsibility for any damage to person or property caused by my student. I agree that if it is determined that my student needs medical or dental treatment I will be responsible for any such treatment determined necessary by a physician or dentist.

I further agree that if the behavior or health of my student should make it necessary to send him/her home prior to the end of the excursion, I will be responsible for those expenses. I understand that no student will be sent home without notification to a parent/guardian.
