2008-2009 ANNUAL REPORT

2009-2010 Board of Education • Deb Mexicotte, President • Irene Patalan, Vice President
Susan Baskett, Randy Friedman, Helen Gates-Bryant, Adam Hollier, Glenn Nelson

Mission Statement

Mitchell School is a learning community where students, staff, and families work together to ensure that all learners attain their potential. **T**ogether **E**veryone **A**chieves **M**ore.

2008-2009 Student Achievement Goals

The school student achievement goals are now based on district-wide achievement goals with the focus of academic success for all students. These goals reflect the district's commitment to facilitate systemic academic improvement at each school throughout this district.

GOALS

- To improve academic achievement for all students
- To improve special education services for students with special needs
- To improve facilities
- To improve marketing of programs and services
- To improve the integration of technology to benefit student learning and achievement
- To create a climate of equity and acceptance that respects, values and responds to the diversity of all its members
- To develop a guiding framework for transitioning the district to a systemic approach for Professional Development

SCHOOL GOALS

- To increase parental involvement
- To improve MEAP scores by 10% in all sub groups

Issues, Decisions, and Accomplishments

- Held on-going discussions of Equity issues within the school community.
- Supported Monthly Grade Level Team Meetings for Classroom Teachers.
- Produced a complete SIP using the new state format.
- Continued to support inclusion activities for all students, including Camp Storer.

Major Issues Identified for Next Year's Team

Ongoing professional development with a focus on:

- EDM Training for Support Staff
- Book Clubs based on Math Instructional Strategies
- SIOPP Training for Classroom Teachers
- READ 180 Training

2008-2009 SIT Team Members

Mitchell School Staff

Mitchell Elementary School

2008-2009

Staff Development Activities:

- Differentiation of Math instruction
- Achievement Team Process
- Courageous Conversations about race
- Crisis Response
- Fountas/Pinnell Reading Assessment protocol
- RTI Process
- Culturally Relevant Curriculum

Core Curriculum Status: Core curriculum is a standard curriculum covering each subject area and all grade levels in the district. See the district annual report or call 994-2252 for information on the district core curriculum.

Highly Qualified Teachers: The federal No Child Left Behind law requires public school elementary and secondary teachers to meet their state's definition of highly qualified teacher for each core academic subject they teach. These qualifications include a bachelor's degree, full state certification as defined by the state, and demonstrated competency, as defined by the state, in each core academic subject area they teach. Currently 100% of Mitchell teachers meet this requirement.**

**5 of 180 total district Student Intervention and Support Service staff are completing the requirements to meet Highly Qualified status as approved by the Michigan Department of Education.

Parent Participation: Parents regularly volunteer to support our field trips, noontime enrichment program and classroom activities. Parent contributions and support are crucial factors in our students' success. We are pleased to report that one or more parents at 2008-09 parent-teacher conferences represented 96 percent of all Mitchell School students. In 2006-07, the participation rate was 97 percent.

District Cohort Graduation and Drop Out Data: The Federal NCLB legislation has mandated that Michigan, along with all other states, change the way graduation rates are calculated. Students must be tracked over the entire high school career to determine graduation and dropout rates. The graduation class of 2008 used data available over 5 years (Fall 2004-Fall 2008) to accommodate this requirement. Students enrolled in 9th grade in Fall 2004 anywhere in the state are included at the last school they attended. Students who move into the district/school in the 2008 graduating class are also included. Students who move out of a school, but within the state, must be enrolled by another school before being dropped from our district data. The 2008 graduation rate was 87.7%.

Specialized Schools: In addition to the regular K-12 and adult education programs, the Ann Arbor Public Schools provide educational alternatives and meet the special education needs of students. See the district annual report or call 994-2236 for additional information.

Student Attendance: A school's attendance rate is calculated as the total number of possible days of attendance for all students in the school, divided by the total number of possible days of attendance for all students. Mitchell's attendance rate for 2008/09, as calculated by the state, was 95.0%.

2008-2009 ENROLLMENT

Ethnic Group	Native American	Caucasian	Latino/Hispanic	African American	Asian/Pac. Islander	Middle Eastern	Multi-Ethnic	Other	Male	Female

ADEQUATE YEARLY PROGRESS (AYP) EXPLANATION

The Proficient/Advanced ELA and Math figures above can provide an estimate of a school's Adequate Yearly Progress (AYP) status. However, the actual calculation of AYP is based only on those students who attended the school the previous year, for the entire year. That calculation combines all of the tested grades from the school; separate calculations for subgroups are carried out only if there are 30 or more students in the subgroup.

State proficiency targets for 2008/2009: ELA 59%; Mathematics 65%

The MEAP + MI-Access column is based on the students who met standards on either the MEAP or the alternate MI-Access Assessment.

ADEQUATE YEARLY PROGRESS (AYP) EXPLANATION

The Proficient/Advanced ELA and Math figures above can provide an estimate of a school's Adequate Yearly Progress (AYP) status. However, the actual calculation of AYP is based only on those students who attended the school the previous year, for the entire year. That calculation combines all of the tested grades from the school; separate calculations for subgroups are carried out only if there are 30 or more students in the subgroup.

State proficiency targets for 2008/2009: ELA 59%; Mathematics 65%
The MEAP + MI-Access column is based on the students who met standards on either the MEAP or the alternate MI-Access Assessment.

Adequate Yearly Progress (AYP)

The No Child Left Behind (NCLB) Act requires monitoring AYP on the MEAP English Language Arts (ELA) and the Mathematics tests. To make AYP, a school must have at least 95% of its students taking the MEAP or the alternative MI-Access assessment, and the total percent proficient must be equal to or higher than the state target percentages for the school year. MEAP State proficiency targets for 2008/09 are ELA 59% and Mathematics 65%. Both the participation rates and the performance levels must be met not only for the school as a whole but also for selected groups of students with 30 or more students enrolled.

In 2008/09, MITCHELL Elementary School **Met** requirements for AYP.

Accreditation/Education Yes

State school accreditation is based on the state's Education Yes report card. Education Yes assigns letter grades to schools based on a combination of MEAP scores (both status and improvement), a self-assessment of selected performance indicators, and AYP. Schools with grades of D or higher are accredited. In 2008/09 MITCHELL Elementary School received a composite grade of **A**.
